Marino Community Hall

May 2025: Completion of works and official opening

Dear resident,

Project update

Works on the new Marino Community Hall are now almost complete. Over the next few weeks, you will see works starting to focus on the finishing touches to the new facility, including the decking area and site landscaping, ahead of the opening in late June.

This project has taken longer to deliver than planned due to unforeseen circumstances during the construction period and we understand that the works may have impacted you. We would again like to thank you for your ongoing patience and understanding as we've delivered this important new community facility.

Opening event

We are currently planning for the official opening event with the Marino Hall Committee, and we are excited to invite you to the opening on Saturday 28 June from 10 am. You will receive an invite with all event details in the next couple of weeks.

Yours sincerely

City of Marion Community Engagement Team
