BREAKOUT CREEK PATH UPGRADE
FEBRUARY 2024 UPDATE

FREDERICK STREET

BEADNALL TERRACE

continued below..

LEGEND

3 metre wide asphalt path

- smooth surface
- meandering to encourage low speeds
- accessible for all, including elderly with mobility devices, children and cyclists

Paved shared area

- permeable paving to minimise run-off
- establishes transition zone between the roadway and the shared path
- provides room for all users to safely manoeuvre through staggered fencing slow points.

Tree Species
- ✓ Cork Oak
- ✓ River Red Gum
- ✓ Narrow leaf Peppermint
- ✓ Spotted Gum
- ✓ Drooping Sheoak
- ✓ Rough Bark Apple
- ✓ Pistacia Tree
