Marion Basketball Stadium
(CHANGED CONCRETE POUR DATES)

10/11/2026

Dear resident,

I write to you on behalf of our client, the City of Marion, to notify you of the next steps in the upgrade of the existing Marion Basketball Stadium at 22 Norfolk Rd, Marion.

Kennett Builders will be undertaking concrete pours on the revised dates below.

Hours of work will be from 4:45am – 5 pm

During this time, you may hear increased construction noise and activity from the concrete trucks, pump operating and entering/exiting site. We will closely monitor site traffic to ensure trucks enter and exit the site safely, helping to minimise disruption and risks for residents.

Kennett Builders are committed to minimising the impact of this project upon the Marion Basketball Stadiums neighbours. Accordingly, we will keep you informed periodically throughout the development of any changes or potentially disruptive works. When a particular event is planned, which has the potential to affect neighbours, we will advise accordingly.

Thank you for your understanding and we apologise in advance for any inconvenience caused.

If you have any concerns or need further information, please feel free to contact us.

Concrete pour dates:

Activity	Dates
Concrete Pour 4	Thursday 19/11/2026
Concrete Pour 5	Friday 27/11/2026
Concrete Pour 6	Tuesday 15/12/2026
Concrete Pour 7	Wednesday 9/12/2026

The above dates may be subject to change, and we will keep you informed accordingly.

Councils project website will continue to be updated during construction. You can register to receive project updates by scanning the QR code below or visiting:
