Community feedback summary

Hallett Cove Seaside Pool

JOIN THE CONVERSATION

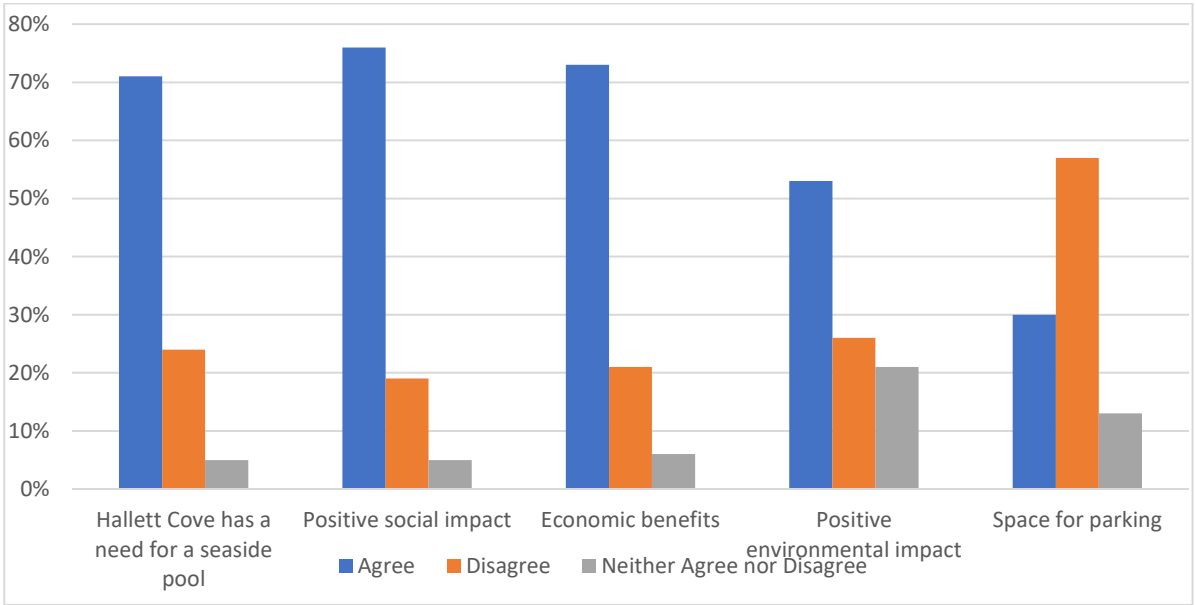

THANK YOU FOR YOUR FEEDBACK

Overview

- The initial stakeholder survey was published on Making Marion on July 22, and closed on August 15, 2022
- 1,209 local residents received a direct mail letterbox notification inviting them to take part in the stakeholder survey
- Council social media posts promoted the opportunity to take part in the stakeholder survey
- 2,500 Making Marion subscribers opened an invitation email to take part in the stakeholder survey
- A community drop in session with the project team was held at the Boatshed Café on August 12, to assist community members with completing the survey, and to ask any questions
- We received a total of 445 responses to the stakeholder survey
- 66% of survey responses received were from Hallett Cove residents

What we heard

The following chart represents responses to survey questions on whether Hallett Cove has a need for a seaside pool, and whether it would result in deivering social, economic and environmental benefits for the local community. Feedback was also sought on whether there is currently enough space for car parking.

Survey respondents were asked whether they had any concerns with the proposed project.
39% of respondents stated they have concerns and their key issues included:

- Increased traffic volume and parking issues
- Adverse environmental impacts
- Loss of visual amenity
- Project cost and ongoing maintenance costs

74% of respondents state that they would swim more, with 67% indicating they would use the pool at least monthly
No clear preference was identified between the proposed site locations 1 and 2

What's next?

- Development of concept designs are underway and due for completion at the end of 2022
- Community consultation on the draft draft designs is scheduled for early 2023
