Consultation open

Fryer Street Reserve Improvements: January 2025

Dear resident,

Background

The City of Marion is undertaking minor improvement works at Fryer Street Reserve. This project was identified as a key priority in the Open Space Plan 2024-2034.

The planned works will include:

- New irrigation
- Tree planting (3)
- New toilet artwork wrap

A notice of works will be delivered to surrounding residents prior to the works commencing. Works are anticipated to commence in April 2025 and conclude in June 2025, subject to available budget.

In the meantime, we are seeking feedback on the design options for the toilet wrap. The design options include:

Join the conversation

- **Option A:** Photo of Hallett Cove view and bridges
- **Option B:** Digital artwork of flowers

View the design options for the toilet wrap on the back of this letter.

Feedback can be provided by visiting Making Marion and completing a survey online at www.makingmarion.com.au/fryer-street-reserve by Friday 14 February 2025

If you have any queries regarding this project please contact the project team via danielle.gevers@marion.sa.gov.au or on 8375 6600.
