

May 2024: Consultation open

Marion Basketball Stadium

Dear resident,

Background

As you may be aware, in April 2022, the Marion Council received Federal Government funding of \$6 million towards the proposed upgrade of the Marion Basketball Stadium. The City of Marion will borrow and contribute the substantial majority of the cost in addition to the \$6 million Federal contribution to this project.

The current indoor courts, toilets, and changerooms are non-compliant, and the building does not meet the functional requirements of the sport.

At its General Council meeting held on 27 February 2024, Marion Council considered that the best solution to replace the ageing basketball facility at Norfolk Road is to replace it with a five-court basketball stadium to maximise benefits to the community.

The design footprint will likely encapsulate the site currently leased by the Marion Tennis Club. The City of Marion Council is committed to finding a solution for the Marion tennis Club members.

Estimated timeline:

May – June 2024	Community Consultation (current)
July – August 2024	Report returned to Council
August 2024 – January 2025	Site analysis, initial concept design developed for the site
1 st Quarter 2025	Community consultation on the initial concept design for site

May 2024: Consultation open

Marion Basketball Stadium

Next steps

Council staff will soon be starting the concept design process so they can be released for public consultation in early 2025.

Key to the developing the concept design is your feedback. We have highlighted the site plan for the proposed stadium and car park (see enclosed), and we would like your feedback.

To provide your feedback, visit **www.makingmarion.com.au/marionbasketball** or scan the QR code below to access the online survey, and further project information. Consultation closes at 5pm on Sunday 16 June.

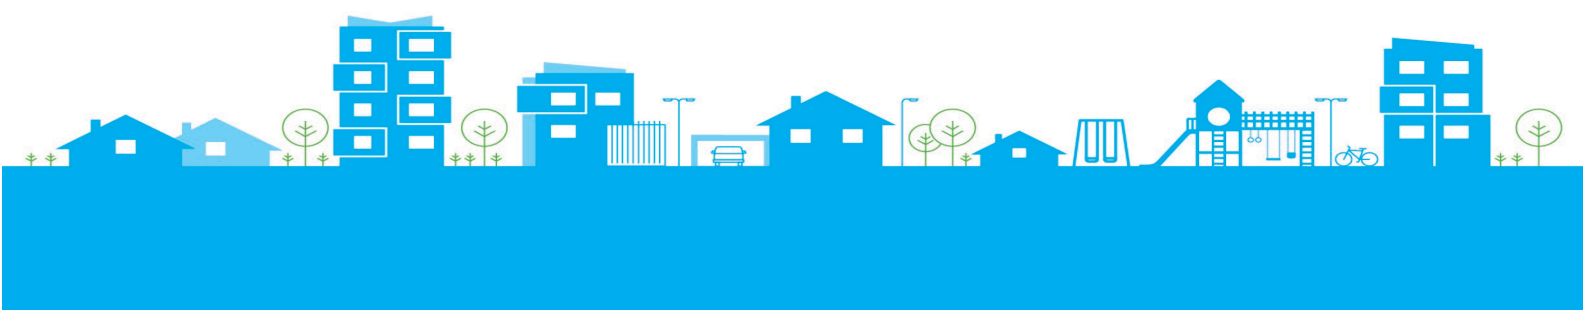

If you would like further information, you can call the project team on 8375 6600 or email **communityengagement@marion.sa.gov.au**

Kind regards

City of Marion Community Engagement Team

Enc. Site plan

May 2024: Consultation open

Marion Basketball Stadium

Site Plan:

Building and car parking zone

Notes:

- *Council's goal would be for the stadium to be set back as far as possible from residential properties within the available space.*
- *The shape and form of the proposed stadium has not yet been determined.*
