Dear resident / stakeholder,

We are pleased to advise that the designs for the Glandore Oval upgrade have now been submitted for development approval.

A key component of the planning approval, under the Planning, Development and Infrastructure Act 2016, is a 3-week Public Notification period that will be opening soon.

You will receive a letter from Planning SA to advise when it is open.

You will be able to view the detailed plans submitted for approval and provide feedback on them during this time by following this link and searching for the City of Marion in the Plan SA portal:
