Coastal Walkway Upgrade
Pre-Design Community Engagement
Design Team Introduction - Context

CITY OF MARION

A presentation from Tim Conybeare
Studio Director, ASPECT Studios

17 August 2020

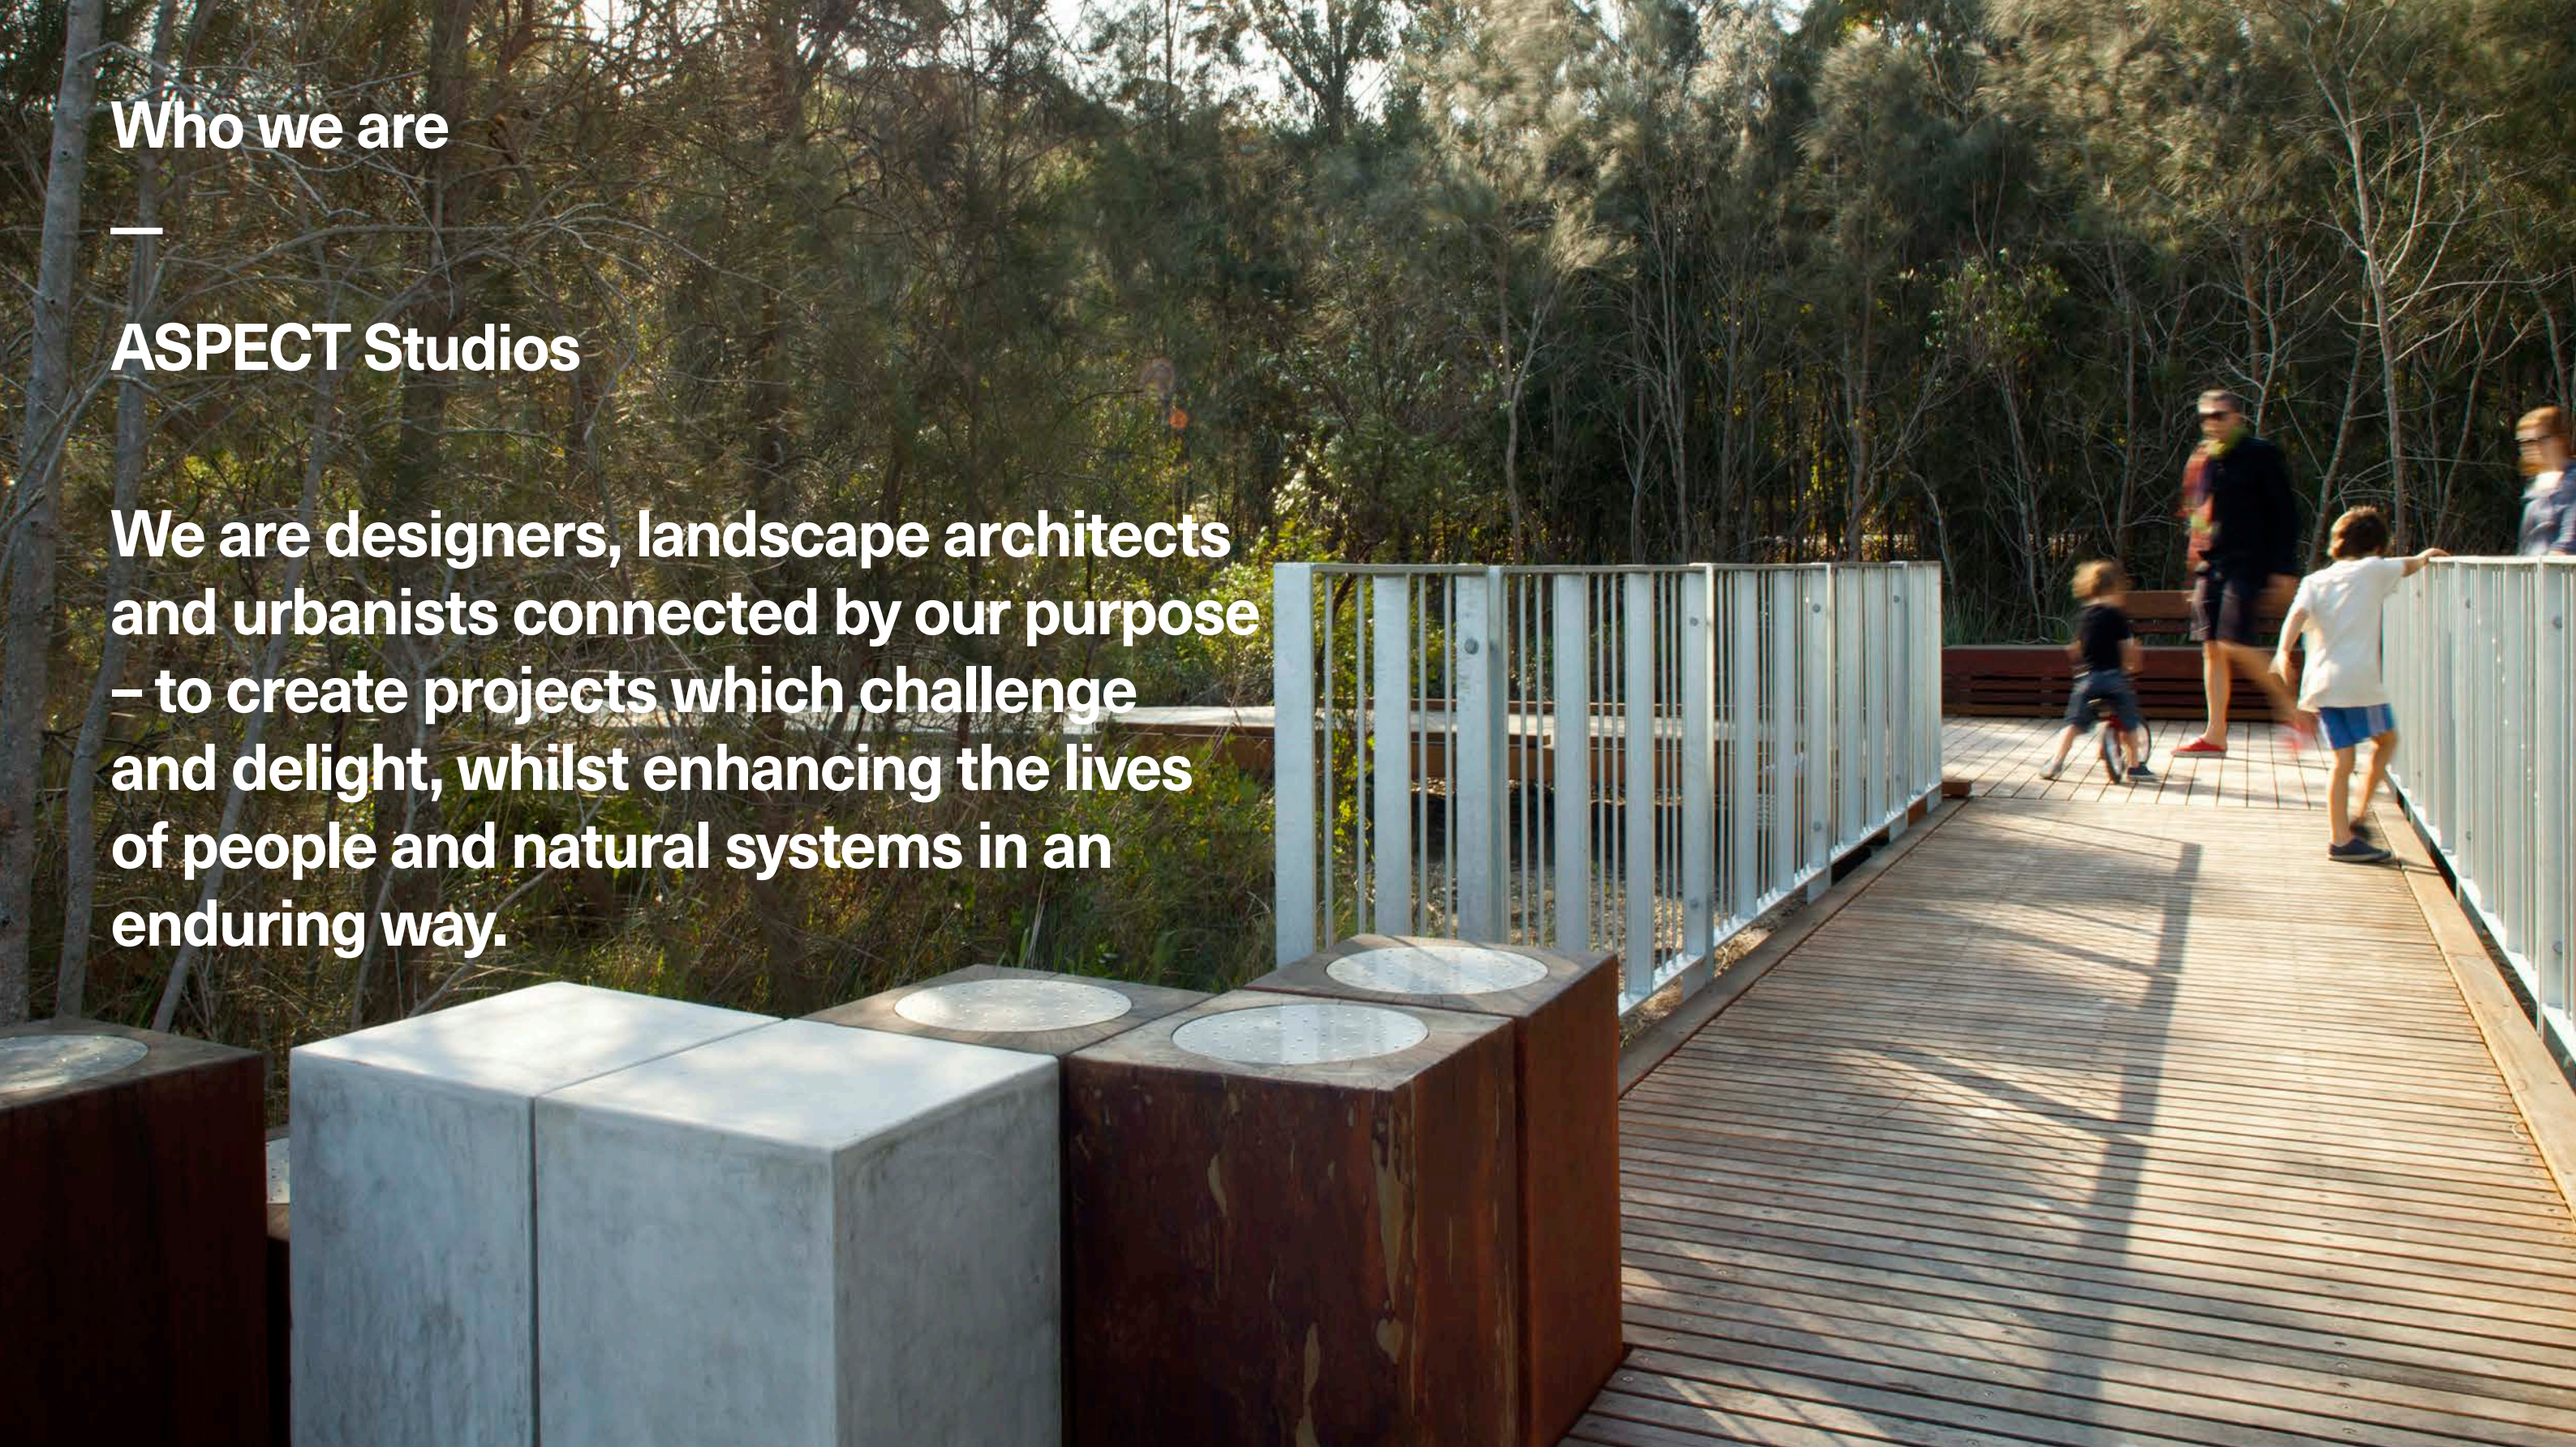

Government of South Australia
Department for Infrastructure and Transport

ASPECT Studios

Introduction

- Who we are
- What we know
- Scope of the project
- Outcomes and aspirations

Who we are

—

ASPECT Studios

We are designers, landscape architects and urbanists connected by our purpose – to create projects which challenge and delight, whilst enhancing the lives of people and natural systems in an enduring way.

Who we are

Our Lead design team: ASPECT Studios

Tim Conybeare

Studio Director, Adelaide
Role: Project Leader, Design Management & Quality Review

David Guy

Senior Associate
Role: Day-to-Day Contact/Design & Project Management

Douglas Maeda

Senior Urban Designer
Role: Project Designer

Tingweiwei Wang

Landscape Architect
Role: Landscape Architecture / Documentation & Graphic Support

Our subconsultant design team:

Innovis: Structural & Civil Engineering

Jarvis Anderson

Technical Director
Role: Principal Structural & Civil Engineering Peer Review

Louise Peters

Senior Structural & Civil Engineer / Design Manager
Role: Design Discipline Lead

Kristine Gatbonton

Structural Engineer
Role: Structural Design Engineer

Tim McGuire

Modeller
Role: Digital and Modelling Lead

Alexander Symonds: Surveyor

Mark Williams

Director
Role: Senior Licensed Surveyor

Ben Shepherd

Licensed Surveyor
Role: Surveyor

Trail Solutions Australia: Trail Design

Brenton Collins

Director, Trail Solutions
Role: Trail Design

CMW Geosciences: Geotechnical Engineering

John Slade

Principal Geotechnical Engineer

David Argent

Geotechnical Engineer

Barry Chau

Project Engineering Geologist

EBS Ecology: Vegetation and Heritage Assessment

Dr Marina Louter

Senor Ecologist
Role: Projects Coordinator

Jesse Carpenter

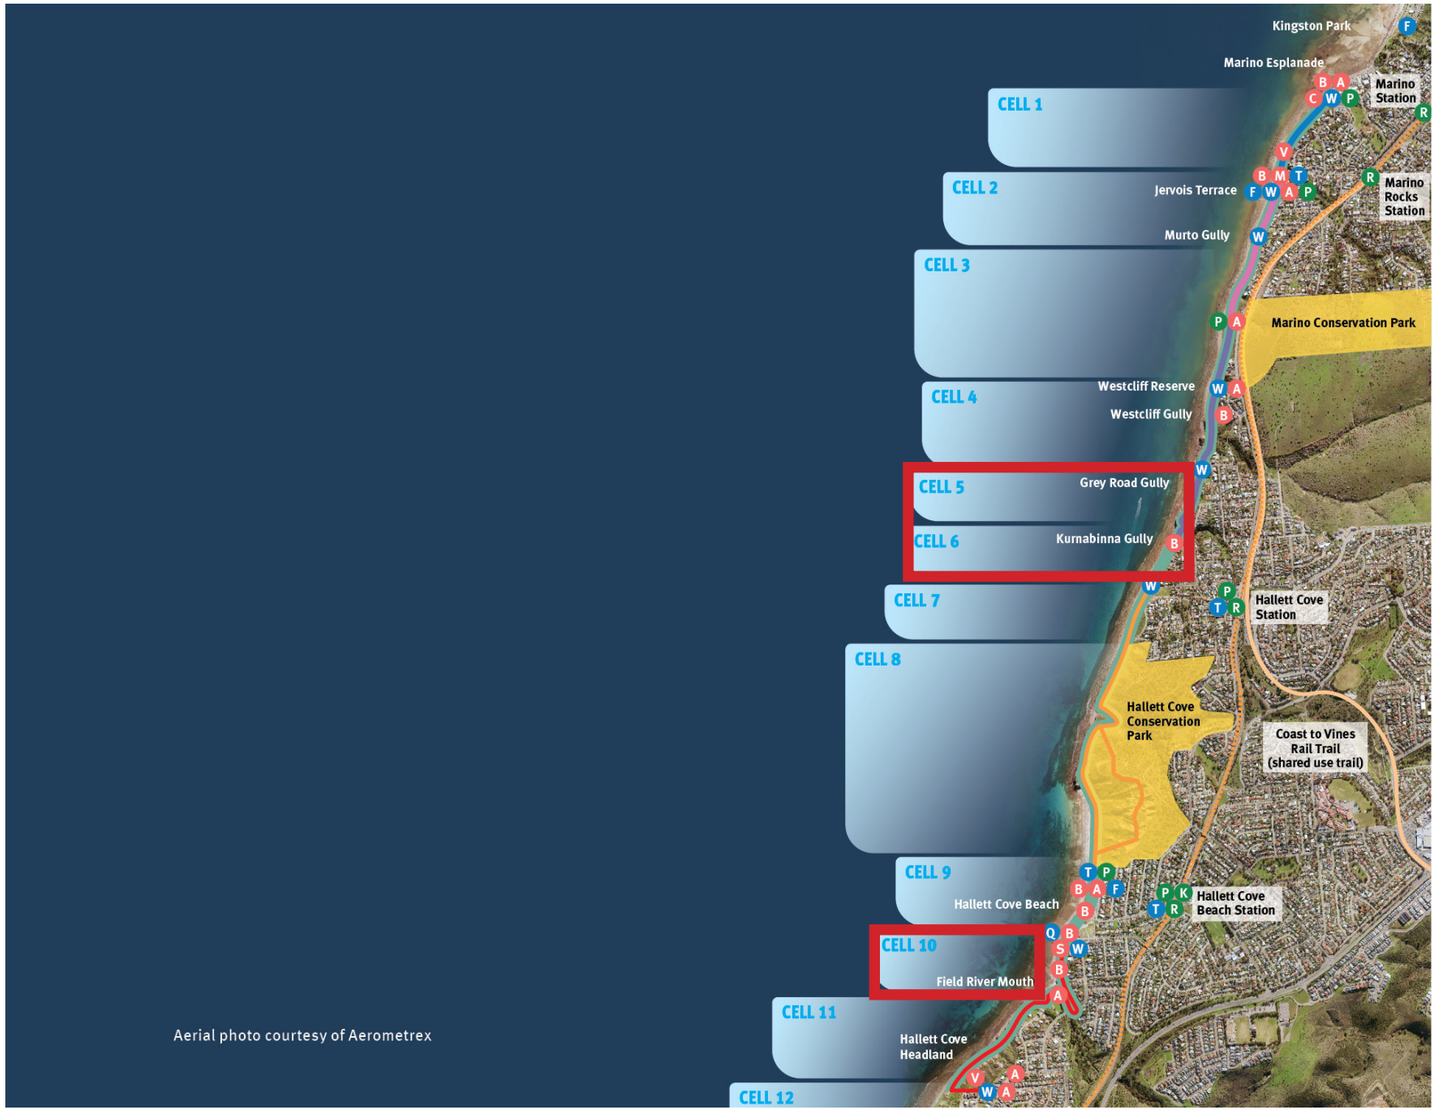

Senior Ecologist

Kye Williams

GIS Officer

Cell Location

NORTH

Key

Transport
- R Railway Station
- K Bike cage
- P Parking

Utilities/food
- T Toilet
- Q BBQ
- W Drinking fountain
- F Café

Landmarks
- B Beach access
- M Marino mosaics
- V Viewing platform
- A Access to trail
- C Contemplation artwork
- S Commemorative space

- Walk 1: The Art Walk
- Walk 2: The Murto Gully Walk
- Walk 3: The Kurnabinna Walk
- Walk 4: The Geology Circuit
- Walk 5: The Headland Walk
- Walk 6: The Marion Coast Park Walk

- Coast to Vines Rail Trail (shared use trail)
- Railway line

What we know

Cell 5 - Grey Road Gully

Cell 6 - Kurnabinna Gully

Cell 10 - Field River

What we know

Cell 5 - Grey Road Gully

What we know

Cell 6 - Kurnabinna Gully

What we know

Cell 10 - Field River

Scope of the project

Design

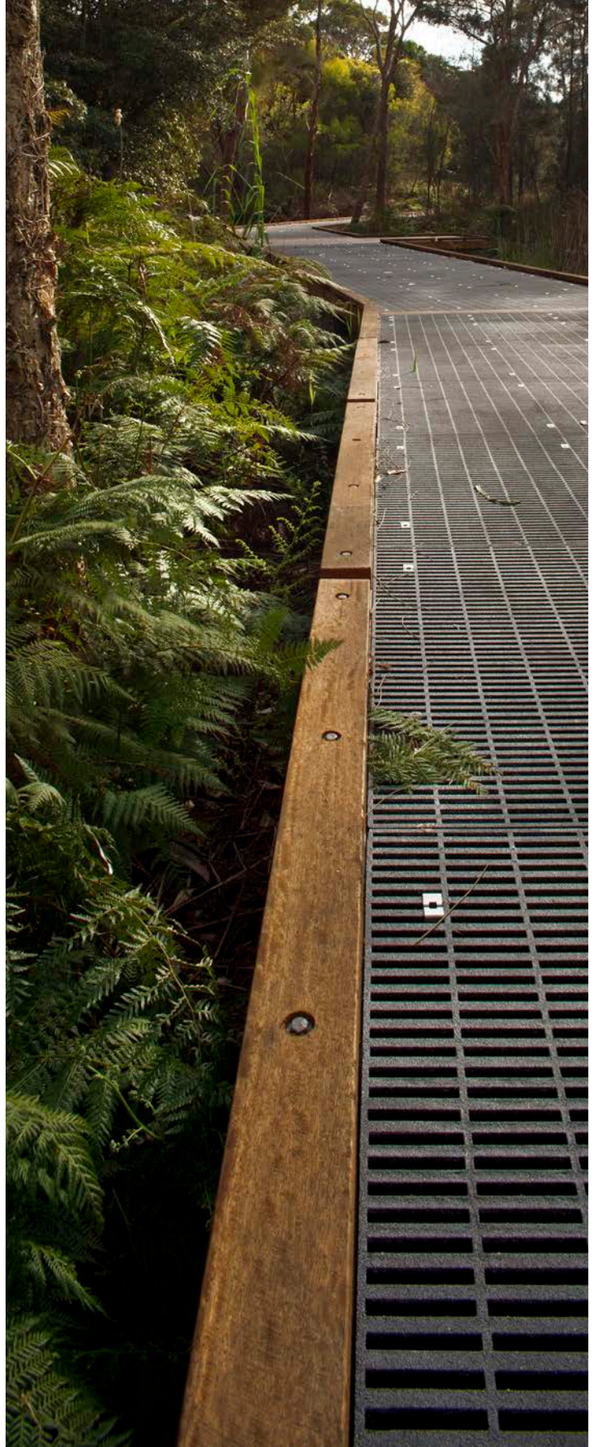

- Site Analysis
  - Environmental Assessment
  - Geotechnical Assessment
- Options
  - Preferred Design

Documentation

- Cost Review
- Safety Assessment
- Engineering Design

Construction

- Site Environmental Management
- Fabrication
- Installation
- Completion

Outcomes and aspirations

ICONIC + ACCESSIBLE + ROBUST

Outcomes and aspirations

SITE SPECIFIC... GROUNDED

Outcomes and aspirations

ENVIRONMENTALLY SENSITIVE

Outcomes and aspirations
