While the lease is not due to expire until 29 February 2028, Indara have requested an early renewal to assist with their operational planning for the area and have requested a further 5+5 years commencing 1 March 2028.

For lease renewals on Community Land of over 5 years in length (including rights of renewal), Council are required to enter into a period of community consultation as set out in Section 202 of the Local Government Act 1999.

The location of the telecommunications tower is provided overleaf. No changes to the tower structure are required for the lease renewal.
