Consultation open

Glandore Oval upgrade – initial concept plan

23 February 2024.

Dear Resident,

Thank you to those who provided feedback on the initial stage of community consultation late last year.

Following this initial community consultation and meetings with community sports clubs and user groups, several priority themes were identified:

- Preserving the oval for community club sports, general community use for physical activity, and dog exercise.
- Replacing the old buildings around the site with a single modern compliant facility.
- Clubhouse location.
- Improving car parking around the site.
- Improving security and lighting.
- Retaining a community court, playground, rose garden and cricket nets.

An initial concept plan has been developed for community consultation. The plan is not final and may be reviewed subject to the feedback we receive.

Join the conversation

We are now inviting you to review the concept plan and provide your feedback by completing the survey. Consultation closes at **5pm on Wednesday 20 March**.

Visit **www.makingmarion.com.au/glandore-oval-upgrade** or scan the QR code to provide your feedback.

Glandore Oval upgrade – initial concept plan

Community drop-in sessions

We are holding two community drop-in sessions where you can come and talk to key members of the project team at the following times:

- Glandore Oval: **Monday 4 March (6-8pm)**
- Glandore Oval: **Sunday 17 March (3-5pm)**

To stay connected with us, follow the project on the Making Marion website and check our social media channels.

If you would prefer to access a paper copy of the concept design and survey, please contact the project team at **glandoreoval@marion.sa.gov.au** or on **8375 6600**.

Yours sincerely

Glandore Oval Project Team
